This knowledge will help you be better prepared for your appointment.

Hearing Doctors of NJ is only an in network provider with Horizon NJ Health. We are an out of network with all other insurance plans.

Insurance coverage is an agreement between you and your insurance carrier. It is your responsibility to determine whether or not you have out-of-network benefits, if you require prior authorization or a referral prior to services being provided, or if audiology services and/or hearing aids are covered through your plan. It is important to gather this information prior to your appointment with us. Hearing Doctors of NJ cannot submit a claim to any insurance carrier we are out of network with. Upon payment in full for services rendered, you will receive a pain in full invoice that you can submit to your insurance carrier for reimbursement.

It is very important that you inform us within 24 hours of your appointment if you need to cancel or reschedule. While we realize that emergencies do occur, Hearing Doctors of NJ reserves the right to charge a \$50 cancellation fee for all no-show appointments or appointments canceled with less than a 24 hour notice.

We understand that sometimes you may be running late to your appointment. Unfortunately, we have patients scheduled throughout the day and may not be able to see you if you arrive more than 15 minutes after your scheduled appointment time. We will try to accommodate you, if time allows. Otherwise, we will need for you come back later in the day, if a later appointment is available, or reschedule to another date and time.

Payment in-full is due at the time the services are provided. All hearing aid related charges must be paid on the date you take possession of the aid, accessory, or supply.

Hearing Doctors of NJ accepts payment in the form of cash, checks, American Express, Visa, MasterCard, and Discover credit card. We also offers a third-party credit program through CareCredit. There will be a \$50 fee for all bounced or returned checks.

It is also the policy of Hearing Doctors of NJ that we may maintain a credit card number on file. This allows us to bill you for an outstanding balance that is not collected within 90 days of the date you were initially billed, while continuing to provide you with care. We will not bill any charge to your credit card without first informing you of this in writing. You then have the right to use an alternate form of payment, if you so choose.

It is important that each patient accepts and meets their financial obligations to this practice. Otherwise, we will be unable to provide care to any of our patients. Hearing Doctors of NJ reserves the right, following 90 days of the initial invoice date, to forward all outstanding balances to either a third-party collection agency and/or small claims court. We also reserve the right to discontinue care or service to patients who have not met their financial obligations to us.
